

Family Activities

3/28/21: Luke 19:28-40; John 12:12-18 – People Praise Jesus

For Fun

Create "Praise Posters" to place around your house as reminders of the goodness of God. Use craft supplies you have on hand to create artwork thanking God for Jesus and praising Jesus as Messiah.

To Serve

Set up a time of family worship. Use some of the following ideas or come up with your own: read Scripture passages or a story from a Bible storybook, sing worship songs, pray sentence prayers (example: Thank You, God, for _____), or play musical instruments. After your family worship, write notes to neighbors telling them about God's love. Mail or deliver the notes to them.
