

Family Activities

For Fun

Fill a box with crumpled paper. Fill a second box with special treats your family enjoys. Wrap the first box in an especially appealing design. Wrap the second box in a nice design, but not as nice as the first. Instruct kids to select the box they would like to unwrap. Once unwrapped, discuss how God doesn't look at outward appearances but looks at what's in a person's heart.

To Serve

Invite a family who is new in your church or neighborhood over to join your family for a meal. Prepare a few questions to ask during the meal and plan to play board games afterwards as a way to get to know one another.
